Postgraduate Research Experience Survey (PRES) 2023

Welcome

This survey invites you to share your experiences of your postgraduate research degree programme. The survey should only take around 15 minutes to complete. Please know that your participation is greatly appreciated. Your feedback will be combined with those of others to help improve the experience of postgraduate researchers like you.

Thank you for your time.

Data Protection

Before you start the survey, please read this privacy statement which tells you how any personal data you submit with your responses to this survey will be utilised and protected, and the rights you have in relation to it.

UCL General Privacy Notice

Your participation in this questionnaire is voluntary and you can stop at any point without your responses being included in the dataset.

In order to participate please tick below to confirm that you have read and understood the Privacy Notice and you consent to the use of your personal data as described*.

☐ I consent

*) You can withdraw your consent at any time in the future by contacting UCL Doctoral School.

Notes for completion

The questionnaire should take around fifteen minutes to complete.

Where “programme” is used in the questionnaire, this refers to your whole programme of study at your institution, for example MRes in Sociology, PhD in Physics, etc.

After each section you will be asked for any further comments on the topics covered, to enable staff to gain a better understanding of what has gone well and what has worked less well. Please do not identify yourself or other individuals (including staff) in your comments. If you have a complaint or need support with any of the issues raised within the survey, please contact UCL Doctoral School.
1. Supervision

To what extent do you agree or disagree with the following statements about supervision?

Please note all the scales in the survey range from Definitely disagree on the left-hand side to Definitely agree and not applicable on the right-hand side.

10. Opportunities

Please indicate which of the following opportunities (including virtual and in-person opportunities) you have experienced during your research degree programme (select all that apply):

- Agreeing a personal training or development plan
- Receiving training to develop my research skills
- Receiving training to develop my transferable skills
- Receiving advice on career options
- Taking part in a placement or internship
- Attending an academic research conference
- Presenting a paper or poster at an academic research conference
- Submitting a paper for publication in an academic journal or book
- Communicating your research to a non-academic audience
- Engagement with non-academic partners – e.g. in industry or elsewhere
- Coaching and/or mentoring

Please indicate whether you have undertaken paid (or equivalent) teaching work at your institution during your research degree programme (e.g. as a Graduate Teaching Assistant or Graduate Demonstrator)?

- Yes
- No

If yes, to what extent do you agree that you have been given appropriate support and guidance for your teaching?

- Definitely disagree
- Mostly disagree
- Neither agree nor disagree
- Mostly agree
- Definitely agree
- Not applicable

Did you receive formal training for your teaching? (e.g. teacher/lecturer training schemes or staff development classes run by your institution; a PG Cert. course)

What has been the one most positive aspect of your research degree programme so far?

What, if anything, is the one top area in which your experience of your research degree programme so far could be improved?
12. Motivations

What type of career do you have in mind for when you complete your research degree?

- Academic career in higher education (either research and teaching, or teaching only)
- Research career in higher education
- Research career outside higher education (e.g., in a private research organisation, a charity or in an industrial environment)
- Teaching (at a level below higher education)
- Any other professional career
- Self-employment (including setting up own business)
- Returning to or remaining with employer who is sponsoring your degree
- Returning to or remaining with employer who is not sponsoring your degree
- Not sure or not decided yet
- Other (Please specify)

To what extent do you agree or disagree that...?

13. You and your programme

This is the final section of the survey which asks demographic and course questions to help us improve the experience of different student groups across different subject areas.

I am registered as doing a:

- PhD (including DPhil)
- Professional doctorate (e.g. EdD, EngD, MD, DBA)
- PhD by published work
- Integrated or New Route PhD
- MPhil with transfer to PhD
- MPhil
- Master by research
- Other
- If you selected Other, please specify ........

How have you usually had contact with staff this term?

- Mostly or completely virtually/online
- A mixture of in-person and virtually/online
- Mostly or completely in-person
14. About yourself

I am:

- 25 years old or younger
- 26 – 30 years old
- 31-35 years old
- 36-40 years old
- 41-45 years old
- 46-50 years old
- 51-55 years old

Have you considered, for any reason, leaving your postgraduate research degree?

- Yes
- No
- Prefer not to say

If yes, what was the main (or most recent) reason that led you to consider leaving?

- Difficulty balancing research and other commitments
- Financial difficulties
- Family or personal problems
- My physical health
- My mental/emotional health
- There is not enough support for personal issues
- There is not enough interaction with academic staff
- There is too much work
- There is not enough support for my research
- I have found this level of research difficult
- I don’t feel connected to my fellow research students
- The content of the research programme is not what I expected
- The way I need to carry out my research programme is not what I expected
- I might have chosen the wrong institution
- The wider postgraduate researcher experience is not what I was hoping for
- Other (specify, if you wish)
- Prefer not to say
16. UCL Institutional Questions

Bullying and harassment

Please indicate which of the following, if any, you have experienced during your research degree programme. (Please note you can leave the question blank if none apply to you)

- I have experienced bullying or harassment from a peer, e.g. another student
- I have experienced bullying or harassment from someone other than a peer, e.g. a staff member or supervisor
- I have witnessed bullying or harassment
- I have reported a case of bullying or harassment
